N/A = Not Applicable. These students never established any contact with me. This may be due to a variety of reasons. This is our first attempt here to organize our contact system with the Kachchhi student community from India. In the KVO Seva Samaj Samarambh, the message to establish contact with me here may not have registered with everybody. I will now try to find ways to get in touch with those I am not in touch with up until today. At least, two of the students, Hemang Savla (27 above) and Manish Chheda (29 above) have gone to France.
